1 CHOOSE A GLASS TROPHY

Glass trophies are a perfect idea for business, occasional and sport awards. They are perfect as original thanks to employees or a gift for a contractor, as well as a trophy for the participant of the competition – and the gift for the loved one.

2 CHOOSE THE TYPE OF PERSONALIZATION

We offer personalization of glass statuettes to get the unique look of them. This effect can be obtained with LuxorJet printing, laser engraving and 3D engraving based on placing a three-dimensional design inside the glass.

Colour overprint with white colour as a background under the colour pixels

Getting a more visible overprint by using the white colour as a background. The rest of the glass trophy is transparent.

Colour overprint with white underprint on the whole surface

As a result of covering the whole back of the glass with white paint, graphic is clearly visible from the front. There is no transparency effect.

Colour overprint without white underprint

The graphic design is printed without using white paint. Thanks to this technique, the print is visible and gives the transparency effect.

Laser engraving

Laser engraving of the glass surface is the easiest way to personalize the trophy. This method is the most durable as well as resistant to external conditions, decoration technique.

Laser engraving with paint filling

Paint filling in a selected colour of all or selected parts of the design, previously engraved with a laser. Eco-friendly, long-lasting paints are perfect for filling engraved graphics, e.g. logos. The applied effect will distinguish the trophy and give an individual and unique character.

1 CHOOSE A MEDAL

A wide range of over 100 medals. Interesting designs and affordable prices will help you choose the perfect decoration.

2 PERSONALIZE
THE FRONT OF THE MEDAL

Glamorous decorations of our medals give them an attractive look. Additionally, you can personalize them using emblems, LuxorJet printing or laminate engraving.

3 PERSONALIZE
THE BACK OF THE MEDAL

Remember that you can design both sides of the medal. You decide how they will look. Interesting effects can be achieved by using modern technologies like Luxorjet printing or laser engraving on a laminate or directly on the medal surface. A wide range of colours will allow you to create a design in any colour.

4 CHOOSE A RIBBON

A ribbon is a perfect addition to any medal. Thanks to the ribbon the prize will be proudly presented on the winner's chest. Choose the one that will match to the medal and to the theme of the event.

5 CHOOSE A CASE

Each reward needs a special case. Your medals will look amazing in an elegant case. The colourful interior will contrast with the metallic colour of medal. The plastic closure will protect the medal against external factors.

6 COMPLETED!

Medal selected, artwork confirmed, ribbon and case reserved. Now you can enjoy the high quality of the prepared medal.
